

MIKE'S CAMP KIWAYU

Location:

The Eco Camp is located on Kiwayu Island, one of the many unspoilt, idyllic islands of the Lamu Archipelago, on the Kenya Coast. Surrounded by miles of soft white sand, turquoise waters and gorgeous coral gardens.

Rooms:

The seven private and spacious bandas are set amongst the sand dunes, with panoramic views. Made of locally weaved palms, they blend harmoniously into the environment. The living areas are simply decorated with local art crafted from recycled colorful flip flops
